**Subject:** FERC's Preliminary DEIS (PDEIS) for Rover Pipeline (MI/OH/WV/PA) - coming soon for coop. agency review  
**Date:** Monday, November 09, 2015 3:28:18 PM

Hi Tom and Justin,

FYI: Today I spoke with the Kevin Bowman, FERC project manager regarding the timeline for the Rover Pipeline DEIS. Kevin tells me that EPA and the other cooperating agencies will soon (before Xmas) receive an email from FERC letting us know that the preliminary DEIS (PDEIS) is ready for cooperating agency review/comment. We would be given a choice as to what form we would like to receive/review the PDEIS (e.g., CD, hardcopy, etc.). FERC will most likely request an approximately 2-week turnaround time. I told Kevin EPA as a cooperating agency would review and comment on the PDEIS as staff time allows.
